My husband and I were so impressed with the food and staff when we went for our taste testing. The food was outstanding and our guests all commented on how good the food was on the actual wedding night. We also got to visit the venue a few times to take measurements in preparation for decorations and each time we came the staff, especially Grace, the wedding coordinator was very helpful and prompt in answering our questions and assisting us when needed.

The room was transformed beyond our expectations and Grace pulled off an awesome ceremony especially considering the short time frame. We felt so relaxed and at ease thanks to Grace!
